RE: Proposed Unit Well  
FL Sand, Reservoir A  
**MAURICE FIELD**  
Lafayette and Vermilion Parishes, Louisiana

Dear Sir:

Application is hereby made on behalf of Precision Holdings, LLC for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the FL RA SUA, in the Maurice Field, Lafayette and Vermilion Parishes, Louisiana, for which a unit was established and rules and regulations adopted by Office of Conservation Order No. 366-X, effective July 10, 1990.

1. To authorize and permit Precision Holdings, LLC to designate their Precision Holdings, LLC - Lloyd Broussard No. 2 Well as a substitute unit well for the FL RA SUA, with a location as shown on the plat which is attached hereto and made a part hereof.

2. To find that, except as may be in conflict with the provisions hereof, the provisions of the Office of Conservation Order No. 366-X shall remain in full force and effect.

3. To consider such other matters as may be pertinent to this application.

The Precision Holdings, LLC (formerly Karbuhn Oil Company) - R. Harrington No. 1 Well (S.N. 201155), the present unit well, is no longer capable of producing from the FL Sand, therefore, the proposed substitute unit well is necessary to recover hydrocarbons within the existing unit which would otherwise be lost. The "SONRIS" Conservation website reflects Karbuhn Oil as being the current operator. Please note that Precision Holdings, LLC has submitted Form MD-10-R-A to the District Office of Conservation requesting a change of operator to the aforementioned well.

The FL Sand, Reservoir A, in the Maurice Field, Lafayette and Vermilion Parishes, Louisiana, was fully defined in Office of Conservation Order No. 366-X, effective July 10, 1990.

There is attached hereto and made a part hereof a plat outlining the subject unit created by Conservation Order No. 366-X, along with the location of the proposed substitute unit well. Pursuant to the Revised Rules of Procedure, a list of names and addresses of the Interested Owners, Interested Parties and Represented Parties to whom this application is being sent is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list will be provided to any party requesting a copy. A diligent effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties as required by the Revised Rules of Procedure.

Finally, there is enclosed our check on behalf of the applicant, Precision Holdings, LLC, in the sum of \$252.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES

  
David Comeaux
